Below please find a long overdue recap of the Regular Town Board Meeting held on November 16th. This was a pretty straight forward affair taking almost no time. As usual 'New Business' was the happening part of the meeting.

I thought that most interesting question regarded FOILing via e-mail. NY State recently approved your right to electronically FOIL town records. Thus if the Town Records are able to be sent electronically and so requested then they can be. Sounds great doesn't it? Cuts down on paper, time and consequently expense. Except in Southeast.

Southeast Town Clerk, Ruth Mazzei, says she has only a private e-mail address and doesn't want to use it for town business. Fair enough. So when will she be getting an 'official' town address? Supervisor Dunford has one and both Councilwoman Mitts and Councilman Johnson have provided e-mail addresses to use for town business. Mrs. Mazzei doesn't know when she'll be getting one. And the closest she'd come to committing was 'sometime in the future'. How convenient.

In the meantime we waste time (town and our own), money (town and our own) because it seems our Town Clerk isn't terribly motivated to accommodate the public. So much for 'public service'. Oh, and check out the latest Minutes' 'gaffe' under Comments/Opinions- it's a beaut.

As always the comments both above and below are my jaundiced and biased take (read: opinion) on life in our fair town. They reflect no organization to which I belong.
